SCHOOL ANNUAL REPORT, 24

The Annual Report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. We set standards and goals for ourselves and strive to achieve them be it in the area of academics, sports, discipline, leadership and more.

ACADEMICS

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great" The year 2024 commenced on a wonderful note when the results of our 10th Class CBSE Board Examination came out. We are happy to share with the details of the commendable performances of our students.

In class 10th total 34 students appeared for the CBSE Board Examinations and we are glad to announce that in class 10th also we got 88.25% result.

None of these achievements would have been possible without the single minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well wishers who have shown much confidence and given their fullest

support. I wish to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference. We are still not satisfied with this result. We are aiming for the No 1 slot and have adopted various measures to achieve our goal. Extra coaching classes for the Board examinees, regular weekly tests and special counseling sessions for children are some of these steps.

SPORTS

"To be a great champion you must believe you are the best, if you are not; keep on trying." Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students and prepare them for the life ahead. Sports, games and physical fitness occupy a place of importance in our curriculum.

Our students participated in different sports competitions held on December 2024 in our school and won medals, certificates and trophies.

SCHOOL HOUSES

"Strength does not come from physical capacity, it comes from unity" The students of the school are divided into 4 different houses PRATAP, TAGORE, SHIVAJI and ASHOKA. Each house is managed by House Masters, Associate House Masters, House Captain and House Prefects. The house on duty performs its duty of conducting the day to day activities, competitions in systematic and disciplined manner.

SCHOOL ACTIVITIES

"All work and no play make Jack a dull boy" Various Co Curricular Activities are held to develop a child physically, morally, socially and mentally and to hone skills in co-scholastic areas, regular Inter House Activities were held in which the students participated and display their caliber. Staff Development PPSS family consist of well-trained, experienced and dedicated teaching staff, administrative staff and supporting staff. Staying updated is the key to success in any field especially in the field of education. Our teachers including our Principal constantly strive to stay updated by attending workshops and various training programs.

INFRASTRUCTURE

We have upgraded our infrastructure facilities including our computer lab, science labs and library. Currently, we have a Physics lab, Chemistry lab, Bio lab, Computer lab with internet facilities and a fully equipped library, archery court, shooting range. Under the smart class project, we have converted our all classes into digitally smart classes and this year we have introduced Extra marks also.

This report is a sincere attempt to showcase our progress in terms of achievements and activities during the year.

Thank you.
